

Penn Athletics/Activities  
Insurance and Transportation Fee

Dear Parent or Guardian:

**Insurance**

Athletic department policy requires that all students participating in interscholastic athletics must purchase insurance available through the school. Students will not be allowed to practice or participate until they have paid the insurance fee of \$40.00. This supplemental coverage is for medical bills from ACCIDENTS ONLY. "Accident" means a sudden, unforeseeable external event. All athletic related injuries occurring during a Penn High School activity must be reported to the supervising coach, sponsor, or athletic trainer at Penn High School as soon as possible. Claim forms should be submitted through the Athletic Office. The length of insurance coverage is 365 days.

**Transportation**

Students who participate in athletic and/or extracurricular activities will be assessed a fee of \$10.00 at the beginning of *each* season to offset the cost of bus transportation directly related to attending away athletic and/or extracurricular events. This action is necessary to help control the increasing cost of bus transportation at a time when very few additional revenues are available to meet ongoing operational costs. Those families facing a financial hardship where it would be impossible to cover the transportation fee should contact the coach, sponsor, or building principal to discuss what other options would be possible to cover the transportation fee.
