Dance Performance I/II

Enduring Understandings

- The students will be able to perform the beginning level concepts of ballet, modern, tap, and jazz.
- The students will learn the terminology, history, and technique of ballet, modern, tap, and jazz.
- The students will have a better appreciation of the art of dance and have a sense of accomplishment through performance.

About The Class

- Dance Performance is a beginning level dance class. Everyone that signs up for dance starts in this level.

About The Class

- During 1st semester, we will be learning four styles of dance: Ballet, Modern, Tap, and Jazz.
- We will be spending about 4 weeks on each style.
- During this time we will be learning the vocabulary, history, and technique for all four styles. We will also be completing assessments (written and dance).

About The Class

- During second semester, we will be focusing on choreography for our performance in May. Students will be performing 4 dances in the show.
- You will be receiving the show packet before spring break. This packet will include: performance information, costume list, and ticket order form.

About The Class

- There will be 2 formal writing assignments for our class. First semester, students will choose their favorite style of dance and write a persuasive paper. Second semester, they will write a performance review. A performance review is where they would go and see a show and they write a paper on it.
- The outlines and rubrics for both of these assignments can be found on Canvas.

About The Class

- All material that is taught goes along with the Indiana State Standards for Dance.

Class Expectations

- Students will be expected to participate in class everyday.
- Students will be expected to complete assignments (written and performance based).
- Students should be practicing everyday at home.
