

Student Parking 2017-2018

Instructions to Register for Your Parking Pass

1. Driving a vehicle on campus is a **PRIVILEGE** extended to sophomore, junior and senior students and requires adherence to the rules listed here.
2. The cost for general and reserved parking passes remains \$40 for a full year or \$20 for a pass purchased in the second semester. Students can obtain a free parking pass to park only in the Softball or Bank lots; however, registration is still required. Due to the limited number of parking spaces available passes will be issued on a first come, first served basis.
3. Students presenting temporary registrations will receive Softball lot parking passes temporarily, until their permanent registrations are filed in Student Services.
4. Student Services will distribute passes during open office hours (7:30 a.m. - 3:00 p.m.) beginning Monday, July 17, 2017.

*Once the fall semester starts, parking passes will be distributed **before and after** school only. To receive a pass, bring the following items to Student Services.*

- a. A paid receipt from the bookstore for general/reserved parking
- b. The vehicle registration card from the BMV (Bureau of Motor Vehicles)
- c. A completed Acknowledgement & Drug Consent Form signed by both student and parent regardless of student's age.
- d. A valid driver's license belonging to the student driver

Knowingly or intentionally providing false documents or vehicle information is subject to forfeiture of your parking privileges.

5. Students parking in special areas without administrative approval (handicapped parking spaces, Silver Mile spaces, staff, visitor and areas not marked for parking) will be assigned temporarily to the Bank lot. Students can avoid parking reassignment by parking in lots designated for student drivers.

Student Parking Guidelines 2017-2018

1. Parking passes must hang from the rearview mirror and must be displayed at all times during the school day (7:30 a.m. - 3:17 p.m.).
2. Students can park only in assigned student parking lots. Those lots include general student parking in Northwest/Main, Jefferson Street, Pennway/River Valley and the spaces along the east edge of the baseball field. Reserved parking is in the Silver Mile, Kapers, Student Reward, and Door K spaces. Additional student parking designated as free parking is in the Softball and Bank lots.
3. Penn High School's agreement with River Valley Church is that no student parks north of the lamp posts. The area north of the lamp posts is reserved for church patrons and employees. Student cars parked beyond the designated parking spaces are subject to being ticketed and perhaps towed at owner's expense.
4. Students needing special parking due to medical reasons may request a handicap/reserved parking tag from Student Services and are expected to use the spaces located by Door C or Door K.
6. Students must report changes in vehicle information to Student Services.
7. Permission to bring a vehicle on school property shall be conditioned upon consent of the search of the vehicle and all containers inside the vehicle by a school administrator with reasonable suspicion to believe the search will produce evidence of a violation of law, a school rule, or a condition that endangers the safety or health of the student driver or others. Students shall have no expectation of privacy in any vehicle or in the contents of any vehicle operated or parked on school property.
8. Students who fail to follow the guidelines for driving to school and parking on school grounds are subject to having their vehicles towed at the owner's expense.
9. Penn High School and the Penn-Harris-Madison School Corporation shall not be liable or responsible for any damage or loss occurring to any vehicle or contents therein while on the school premises.
