- Current Sophomores and Juniors . . .

Would you like to start earning credits toward your college degree and have Penn High School cover the tuition? The Penn High School Advanced CTE CC Program is a way for high school

students to begin college coursework and/or prepare for a career.

Students take classes at area colleges and will receive a college transcript from their respective college. These are actual college classes, taught by college professors on their campus.

Penn is able to pay for CTE (career and technical classes) in the areas of business, architecture, communication, public health and more. Colleges establish the course offering and days/time the classes are in session. Students may choose an area that matches their intended college major, their career plan or personal interest area. This is also a great opportunity for parents/guardians and students to save on college tuition expenses.

We offer a Pharmacy Technician Certification program through Indiana University at South

Bend for SENIORS only. When students complete the program, they receive their certification

from the State of Indiana and will be licensed to work in any pharmacy.

Courses in the Advanced CTE CC program will meet one of the requirements for the Academic and Technical Honor Diplomas.

If you are interested in learning more or in taking a class next semester, please see Mrs. Ball in Room 251 or email her with questions at [mball@phm.k12.in.us](mailto:mball@phm.k12.in.us).

- For parents with busy schedules, it can be hard to make sure that kids are eating a healthy breakfast before they go to school in the morning.

Sometimes children aren't hungry right after waking up, and it's hard to find food they like to eat that is also healthy. Also, some kids refuse breakfast at home, but are hungry when they arrive at school. Fortunately, we have a great breakfast program for all students, and it's available at school every day.

If morning meals are difficult for your family, let the School Breakfast Program help you out! Free meal students receive a free breakfast. Reduced price breakfast for qualified students is .30. Regular priced breakfast is \$1.10 at elementary and \$1.25 at secondary. Ala-carte is also available at the middle and high schools.

- **There are no snow make-up days built into the 2018 - 2019 school calendar this year. Penn-Harris-Madison has again been approved by the Indiana Department of Education to use eLearning lessons on the day of a school closing. eLearning stands for electronic learning that can be accomplished by students working on their Chromebooks or a computer from home through the internet.**

eLearning is designed to be delivered over the internet through a link the school or teacher provides. Each Penn High School student will have eLearning lessons for every class. Penn High School teachers will maintain up-to-date eLearning assignments that students can access on their Chromebooks.

[Click here](#) for High School Technology Instructions for eLearning days.

Teachers will have assignments posted at the normal school day start time and be available by email during regularly scheduled school hours on days when school is closed and eLearning takes place.

In the event that your child has an IEP and receives direct service minutes during the school day, the Exceptional Education teacher will contact parents to make alternative arrangements, if necessary.

Thank you for partnering with P-H-M teachers and schools. Your support is crucial to your student's success, and it is greatly appreciated.

The automated line is 24/7, which allows the convenience of calling anytime of the day. **Remember to give your student's I.D. when calling.**
- Students who will be extending their winter breaks in order to visit a college will need to bring in a document from the college's office of admission that verifies the visit. Then, that day away from school will be noted as a "college visit" (which makes it exempt or a non-absence from school). For additional information on attendance, visit the [attendance](#) webpage.
- Parents of students enrolled in Elkhart Area Career Center classes are responsible to contact the EACC with attendance information, in addition to Penn High School attendance. - **Parking passes will now only be sold before and after school. Parking passes are sold in Student Services.**
- To help after-school traffic flow, please be aware of "right turn only" signage. Signs will be set up at the Jefferson lot and will also direct students exiting the Main lot (the roadway by ESC) to turn right.

- Everyone should now have an ID card. If you do not have one, please report to the library before or after school or during your lunch to have one printed. All students are expected to have an ID displayed at all times. Displaying an ID card is a matter of safety and security, as it quickly informs us of who belongs here.
