The Penn High School Booster Club Mission is to help our students achieve success in the classroom, on the athletic fields and in other endeavors. We raise money through concession and apparel sales, membership and other fundraisers.

During the 2019-20 school year, the Penn Boosters were able to donate over \$45,000 to Penn academic and athletic programs for uniforms, fees, equipment, HUDL video software, and many other needs. Some programs that benefitted include:

Academic Teams	Baseball	Boys Lacrosse	Softball
