

As we continue through this unprecedented school year, it's important we continue to show kindness & grace to those around us. We are all facing challenges as we maneuver through daily life. Our 3rd PTO Zoom meeting was just held and we a fantastic turnout with many new faces! Don't forget that we will be approving funds for our fall/winter grant cycle at November's meeting. We hope the transition to the hybrid model is continuing to go well. Please remember to show your appreciation to our teachers, administrators & staff who are doing all they can to make this year successful for all students. Check out PTO Corner for additional news & updates!

Meet Our Treasurer - Susie Lupa

My husband Eric & I have 5 children. The two oldest, Nikole & Kody are grown & live in Austin, Texas running their own business. Our 3 youngest, Eli, Danny, & Vince are Sophomores at Penn. I've had the privilege of being our PTO's Treasurer for a second year now. Being involved with our PHS PTO has been a great experience seeing the work & time that goes into showing our teachers, staff, & students how much they are appreciated! So much effort goes into helping our school, from providing grants for teachers to all the hard work with Snowball. I feel honored to be part of PTO & encourage everyone to join us & get involved.
