

Class of 2024 Parents & Students:

Senior year is full of memories that you will cherish for the rest of your life. One of those memories is walking across stage to receive your diploma. It is now time to begin planning for commencement and making sure our seniors have everything they need to celebrate and be honored.

Senior packets are available in the high school's main office. The packet contains a catalog and ring sizer. You will receive a sample of your graduation announcement in the mail. The announcement is an important part of the graduation order to send to family and friends regarding your commencement details. Jostens will be sending additional information during the campaign week to assist you with your ordering process.

**IMPORTANT – Campaign week starts Friday October 13<sup>th</sup> and ordering is open ONLINE by scanning the QR code at the bottom of this flyer and by PHONE at 574.216.6336.
