

PENN DECA

NELSON'S FUNDRAISER

NOVEMBER EDITION

Event Recap

On Saturday, October 28th, Penn DECA held a Nelson's Chicken Fundraiser!

Captured here are our dedicated volunteers, showcasing their team spirit and commitment, even in the cold weather!

Fundraiser Results

Our community showed up in impressive numbers at the Nelson's Chicken Fundraiser, making it a great success! Thanks to your support, this amazing turnout helped us raise an incredible total of \$4300.

Every dollar is a step closer to our goal, and this financial boost is a big help! This money will be put forth for our trip to the state competition in Indianapolis. Thanks to you, our team will have support for hotel accommodations, bussing, and other essentials. This is not just a trip; rather, it's the opportunity for our DECA members to strive for excellence on a bigger stage!

Beyond the Fundraiser

At the end of the fundraiser, our volunteers found a way to give back to the community and happily donated the surplus food to the local fire department and nearby park visitors.

Special Thanks

We couldn't have done it without the wonderful support of all of you! A heartfelt thank you to everyone who purchased chicken or potatoes and to those who volunteered their time and effort. Your contributions help immensely and make us proud to represent Penn and this community in future competitions.
