**Introduction to Debate:
June 24th-28th**

Students will learn public speaking etiquette, how to define key terms in the resolution, basic format for debate, effective strategies for creating an argument and pointing out flawed logic.

Debaters argue either for or against the resolution and must be prepared to speak on both sides. Students will learn strategies for effective cross examination and questioning.

**Saturday June 29th
Tournament Day!**

World Schools Debate Tournament
Teams of five debate a topic that is chosen from the National Speech and Debate Association and grounded in current events.

The Tournament Day will feature a four round debate tournament. The top eight teams will be awarded ribbons and will be recognized on stage!
